CHAPMAN'S CHAT

Our hopes of claiming a third successive win in the league were dashed at Brentford on Tuesday. But while it was obviously disappointing to lose, there were many aspects of our performance which gave me satisfaction and encouragement.

I don't wish to labour the point, but our run of injury problems meant that we were forced to include six teenagers in the squad.

Considering that we were obviously inexperienced and the fact that we were up against one of the best sides in the division, I was pleased with much of what we did, and once again it was yet an other injury, this time to Adrian Hughes, that contributed to our downfall in the last 20 minutes. Had we been able to stick with the unchanged defence for the full 90 minutes, I believe we could have got a point, a result we would probably have deserved overall.

In last Saturday's win over Orient, we showed a lot of bottle to come back so strongly after the handicap of going behind in the first minute. Again several of the young players were impressive. For me, that has been one of the highlights of the season. We have a tremendous crop of youngsters coming through and it has been great to see the likes of Lee Cartwright, Lee Ashcroft, David Eaves, Matthew Lambert and Jason Kerfoot all getting a taste of league action and doing so well. Their performances will stand them in good stead and I will continue to give youngsters every encouragement and opportunity.

Back to today's game and we face a Birmingham side very much involved in the promotion chase, after a marvellous run of results in the last few weeks.

LES CHAPMAN

It is important that we knuckle down again over what is a crucial time for the club. We have the chance to pull clear of the bottom places especially with another home game against Mansfield looming up on Tuesday night.

STARMAN

PAUL AGNEW

Jeff Wrightson has surged into the lead as the race hots up to find the PNE player of the season. Wrightson picked up his sixth "starman" award in last Saturday's win over Leyton Orient when he was asked to play an emergency role in the centre of midfield.

The elegant defender looked like he had never played anywhere else with a super show in an engine room alongside teenage starlet Lee Cartwright. Wrightson also won the Man-of-the-Match award from the sponsors.

In the previous game at Tranmere in the bitterly disappointing Leyland DAF Cup Northern Final first leg, it was difficult to find a starman from within the PNE camp.

Steve Senior did a sound marking job to snuff out the threat of John Morrisey, but his efforts were eclipsed by a whole-hearted show from Ronnie Jepson.

Jepson picked up his first "starman" prize in another DAF Cup tie – the 6-1 drubbing of Burnley . . . circumstances of a slightly more happy nature.

The table, up to but NOT including Tuesday's game at Brentford, reads:

Jeff Wrightson	6
Ian Bogie	5
Mike Flynn	3
Warren Joyce	3
Martin James	3
Adrian Hughes	2
Graham Shaw	2
Alan Kelly	2
Steve Senior	2
Greg Fee	2
Brian Mooney	2
Ronnie Jepson	2
Neil Williams	1
Simon Farnworth	1
Mick Rathbone	1
Steve Harper	1
Gary Swann	1
Lee Cartwright	1

IN RESERVE

PONTIN'S LEAGUE DIVISION TWO
Tuesday, 26th February, 1991
v. Notts County Reserves
at Deepdale

After the very severe period of weather which has affected all of the country during the last few weeks, it was heartening to welcome Notts County reserves to Deepdale on a very mild night for this period of the year.

A former North End player–Don O'Riordan was in charge of the visitor's team– his official capacity being a mystery to myself and other reserve team followers in the main stand, although he had named himself substitute on the team sheet, his name was eradicated when the team changes were announced on the public address system to be replaced by Darren Harman.

Both teams were made up of Youth Training Scheme (YTS) players. North End fielded eight, with only Peel, Lambert and Anderton being professionals. The other two Nixon and Moylon being non-contract players. The only player's with any significant league experience in the 'County' team were Gary Chapman who played on loan at Mansfield against North End (13/10/90) and substitute Thomas Johnson, who scored one of the two goals at Wembley last May against Tranmere in the Third Divsion play-offs final.

The teams lined up:

Preston North End Reserves: Nixon, Moylan, Siddall, Anderton, Burrow, Lambert, Cartwright, Eaves, Peel, Kerfoot, Ashcroft. *Subs:* Christie, Finney.

Notts County Reserves: Walker J., Barrow, Thompson, Brown, Walker R., Aldridge, Cox, Wells, Brough, Chapman, Finch. *Subs:* Johnson, Harman.

First-Half:

County kicked off playing towards the Fulwood End dominating the first five minutes of play, but the nearest they came to hitting the target was a shot from Finch which went wide of Nixon's right hand post. North End, meanwhile playing the sweeper system were struggling to get a grip of the midfield, being second best when any loose balls became available, although to their credit two good opportunities were created in the first third of the game.

Lee Ashcroft

The first a left foot shot from the right hand corner of the box which went over the bar, and Ashcroft's good attacking run down the left wing, finishing off with a good centre across the front of County's goal which the keeper and a defender missed. A North End forward 'ghosting' in at the far post also failing to connect with the rapid moving ball.

Coming more into the game, North End could have gone ahead on 30 minutes played but for an instant reaction save from County's keeper Walker. Siddall played a defence splitting cross from the left to Eaves on the right, who was being pulled back on the edge of the penalty area. He managed to pass sideways to Peel who being unmarked, and with only the keeper to beat. Being exposed by his own defenders, keeper Walker sprinted out to face Peel, who took the right action by chipping it over his head, but he was thwarted by the agile keeper who jumped high and caught the ball with one hand.

Five minutes later (35 mins) Kerfoot had a shot from outside of the penalty area, which the keeper saved in his midriff.

As half-time approached (42 mins) County took the lead. A bizarre decision by the referee led to a free kick for the visitors inside the goal area. North End keeper Nixon being penalised for either too many steps or time wasting? The indirect free-kick was passed sideways to No. 11 Finch who smashed the ball into the net.

Half-Time:
Preston North End Reserves 0
Notts County Reserves 1

Second-Half

Ashcroft playing wide and pushing forward on the right wing was in inspiring form in the early stages of the second half. He was involved in two attempts to acquire an equalising goal. The first on 50 minutes when he put in a good shot from the right, the keeper having to go down swiftly to save. Three minutes later he took a free-kick from the half-way line, right-hand side, which he floated into the goalmouth, Kerfoot heading wide. His opposing player, full-back Thompson had no answer to contain his wingers' skills. Turning to foul means he was duly booked on 56 minutes for obstructing him during a right wing attack.

Just as North End were getting on top, they were hit by a second goal for County. Another set piece. A free-kick being awarded about 30 yards out from North End's goal (58 mins), No. 8 Wells blasted the ball into the North End net, past goalkeeper Nixon's left-hand side, who was slow to react to the situation.

A minute later North End were awarded a free-kick in a similar position as County, but Lambert's left foot shot struck the wall of defenders, rebounding to safety.

Finney (No. 14) North End's substitute was brought into the fray on 64 mins to replace Kerfoot up front. A tactical switch trying to add a bit of sparkle to get back into the game, it worked nine minutes later (73 mins). County's No. 7 Cox was booked for a foul. A free-kick being awarded on the edge of the goal area, resulting in the ball being fired into the goalmouth. Finney got control but mishit it straight to Ashcroft who blasted it into the net.

Ashcroft having an outstanding game, swithced to the left-wing, creating a chance for Peel with a good centre (80 mins), but the centre forwards shot hit a defender on its way to the goals. County's player's seemed to be tiring as the last 10 minutes were being played, although their No. 5 R. Walker was not interested in having a 'breather' when he would not leave the field of play to receive attention for a burst nose. Both he and the trainer were remonstrating with the referee, who had to use force to restrain them from staying on the pitch.

North End put a lot of pressure on the County goal, which stood defiant until the final whistle.

Full-Time:
Preston North End Reserves 1
Notts County Reserves 2

North End Man of the Match: Lee Ashcroft. He had an outstanding game, scoring an opportunist goal and being involved in most of the attacking chances created.

LANCASHIRE LEAGUE DIVISION ONE

BLACKBURN ROVERS 'A' 2 PRESTON NORTH END 'A' 0

Played at Pleasington Playing Fields, Blackburn.

Blackburn Rovers: Colver, Oliver, Sixsmith, Beattie, Moran, Pickup, Ainsworth, O'Shaughnessy, Donnelly, Thorne, Baah.
Subs: McCoy, McMinn.

Preston North End 'A': Kelly, Moylan, Siddall, Eaves, Burrows, Rapsey, Flitcroft, Kerfoot, Finney, Cunningham, Christie.
Subs: Hall, Heavey.

North End 'A' travelled to Pleasington, Blackburn determined to put right their failings in the last league encounter against Marine Reserves. This they did but the result did not bring the reward from an evenly contested game, a goal in each half giving Blackburn a 2–0 victory.

The game brought a welcome return for Alan Kelly in the North End side and Kevin Moran in the heart of the Blackburn defence, both players taking the field following an absence through injury. In comparison the North End line-up looked quite youthful against that of their opponents but nevertheless the first half display did not reveal any marked difference. To their credit North End played well, moving the ball quickly, it was heartening to see the two front runners, Stephen Finney and Jason Kerfoot working well together, holding the ball and linking with the midfield when needed. Play by both sides was of a good standard, chances were few and far between. Those that were created were dealt with competently by Colver and Kelly. A pleasing factor throughout the first period and which continued in the second was the resolve by both sides to play football without reverting to recklessness in the tackle and over zealousness in trying to mark players out of the game. Fouls were therefore kept to a minimum and the ninety minutes proved a sporting contest.

Blackburn took the lead in the 34th minute following a well worked move down North End's right. The ball was flighted over from the flank to the edge of the penalty area, it was met by Darren Donnelly who neatly headed the ball in deftly fashion just inside the near post to Kelly's right. The goal was a blow to North End but one cannot take away the accuracy of the cross and header which provided the strike. This reverse brought renewed action from North End and the Blackburn goal survived several attempts by the visitors to redeem the situation. The half-time whistle heralded a welcome break and to be fair to North End they did not really deserve to be behind. This was reflected in the half-time team talk, for once the side had competed with gusto and determination. A similar attitude in the second period would surely redress the scoreline.

Alas, not so, try as they may, North End could not break down a resolute Blackburn defence. Kevin Moran dominated the aerial dual's and in general the back four played with composure thus rebuffing all North End's attacks. Blackburn's second goal was one which should have been prevented. Captain Peter Thorne had his back to the goal near to the six yard box with no less than three North End defenders around him. He managed to turn, keeping the ball under close control, and as so often happens no firm tackle is made, the goalkeeper advances only to find the forward just manages to slot the ball home into an unguarded net. Such was the case with Thorne's goal midway through the second half. North End's endeavour to get into the game became an uphill struggle hereon. Paul Heavey replaced David Flitcroft in the 78th minute to make his 'A' team debut. Time ran out for North End, their second half performance did not really reach the heights of the first and so the final result gave Blackburn two points to compensate for an earlier defeat at Deepdale.

One instance during the game which the crowd will recall was an excellent save by Kelly who somehow managed to turn a goalbound effort onto the inside of the post before the ball was cleared. A remarkable save from a keeper who showed he is on the recovery road to the first team pool. Incidentally both team managers were goalkeepers in their own right, Roy Tunks and Jim Furnell.

BIRMINGHAM 1, PRESTON 3
Division One

Today's flashback brings back memories of one of our last victories in Division One. It took place over 30 years ago and followed a 5-0 thrashing the previous Tuesday at Turf Moor, Burnley. Preston made six changes from that game, Willie Cunningham, Gil Lambert, John O'Neill and Johnny Fullam came into the side and there were a couple of positional changes. Peter Thompson was allowed to leave to attend a family wedding, so manager Cliff Britton took the unusual step of trying Jimmy Smith in an unaccustomed centre-forward spot.

It was a fine, sunny afternoon and it was Smith who had the first near miss when only a fine save by Johnny Schofield prevented a goal after Lambert had set him up. Birmingham retaliated and Fred Else had to be alert to foil John Gordon and Robin Stubbs. Preston though were playing good football and Dave Sneddon forced another good save from Schofield. In fact the home goalkeeper was constantly in the action as North End repeatedly cut through the Birmingham defence. Smith was very impressive and he was given good support by Sneddon and Alan Spavin. It was Spavin who missed the next good chance and really he should have scored. All this good play was thrown out of the window in the 28th minute when Birmingham scored themselves. Billy Rudd found Gordon Astall and his centre was side-footed home by Gordon.

Several chances were created and wasted by Preston but in the last minute of the half, two goals transformed the match. Spavin and Sneddon combined well and Smith latched onto the latter's through pass to guide a good shot wide of the goalkeeper. Hardly had Birmingham got over that shock before Sneddon set up a second goal with a pass that Alex Alston brilliantly lobbed over Schofield.

The crowd were very appreciative of the good football being played by both sides and the simplicity of the styles was very pleasing on the eye. Smith continued to be a revelation in his new role and with a little luck he could have had a hat-trick. Another header again brought the best out of Schofield. Later Birmingham were denied a penalty when Harry Hooper went down. Else saved well as Birmingham pressed hard for an equaliser and the goalkeeper showed plenty of class. Eventually the home side fell to the sucker punch as Preston broke away in the 70th minute and added a third goal. A long cross by Lambert was superbly judged by Alston and a tremendous rising hooked shot beat Schofield all ends up.

Preston continued to defend well with Else and Tony Singleton the pick of the defenders.

Teams:

Birmingham City: Schofield, Farmer, Allen, Watts, Smith (T), Neal, Astall, Gordon, Stubbs, Rudd, Hooper.

PNE: Else, Cunningham, O'Neill, Fullam, Singleton, Wylie, Alston, Sneddon, Smith (J), Spavin, Lambert.

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

Lord Justice Taylor in his Final Report into the Hillsborough Stadium Disaster.

COMMUNITY NOTES

As this week has designated Comic Relief Week, our office has been busily collaborating in a number of fund raising events. On Thursday Reverend Michael Manley from our own local St. Oswalds parish was involved in certainly one of the most innovative events I've known of. He and a squad of local vicars formed two soccer teams to play a full scale match at William Temple High School–in the dark. Our own Craig Dillon refereed the game and hopefully both sides forgave any dubious decisions he made seeing as the only illumination provided was torchlight!

Further details of Preston's 'God Squad' fared both in terms of the scoreline and the amount raised will be given in the next Community Notes.

Even more Comical was the result of the Tennis Challenge match played last Thursday between the Community Office's Neil Adams and Theresa Lovick of Brownedge St. Mary's High school. The one set match was sponsored by pupils of the school to raise money for Comic Relief and Neil, a regional tennis notable suffered a 2–6 at the hands of 13 year old Theresa. Mind you she is ranked No. 5 in Britain in her age group. Neil wasn't too disconsolate though being only too happy to devote his time to a worthy cause.

On the tennis theme we are still accepting entries for the Preston North End Community Office Short Tennis Tournament. The competition is in two age groups with separate boys and girls events and open to any children between the ages of 5 and 11 years old. This is a fun event, however winners may go through to the County Tournament if they so wish. Short Tennis is a very easy sport to pick up and we expect the vast majority of entrants to be total beginners. All children will receive constant help and guidance throughout the event, so a lack of experience will be no disadvantage whatsoever. Any children interested in entering and discovering a fun way to develop tennis skills, please contact me for an entry form. But hurry please, closing date for entry is 25th March. Finally welcome to our guests for today's match escpecially Caton and Brookhouse Junior football club. Enjoy your afternoons entertainment and have a safe journey home.

AROUND THE WORLD OF FOOTBALL

Heard the one about the three Welsh clubs who could soon be banned from competing in the Welsh Cup? Well Swansea City, Cardiff City and Wrexham–winners of the cup a total of 49 times–have been told that they face expulsion next season.

They must agree to give up their Football League status and join the new National League of Wales from 1992-93. If not Swansea, Cardiff and Wrexham would be among up to eleven clubs currently playing in English competitions who would be excluded from their own domestic cup.

BITS AND PIECES

GREAT GOALSCORERS
BOB LATCHFORD

Bob Latchford was a local lad who made good for Birmingham City. Born in 1951, he made his Football League debut for them when just eighteen years old and after England Youth caps was their first choice number 9 at the age of twenty. By 1971/72 he was scoring 30 goals and helping The Blues to promotion, playing alongside two more formidable goalscorers Bob Hatton and Trevor Francis.

In Division One he continued to score regularly and his Blues tally was 84 in 194 games when he moved to Everton for £350,000 in February 1974. In 1977/78 he became the first player for six years to score 30 goals in Division One and all in all he got 138 goals for Everton before moving on to Swansea City in 1981.

He also won 12 England caps. With The Swans he scored 32 goals in 1982/83 and then after being released in 1984 he joined the Dutch club Breda. Five months later he was back in England and he scored a few more goals for Coventry City, Lincoln City and Newport County before moving into non-League football with over 250 League and Cup goals behind him.

Later he played for Merthyr Town and the last we heard of him he was a Director at Alvechurch. Bob Latchford was a typical striker of the old school, a good finisher with head and foot and a handful for any defence.

PLAYED FOR BOTH SIDES
EDDIE BROWN

Eddie Brown was not only a very fast striker who could score goals. He was a great entertainer and though his career came to full fruition after leaving us there will be people here today who remember him.

Born in Preston in 1926, he signed professional in 1948 after at one stage thinking of joining the Church full time. He played a few games in 1948/49 but it was in 1949/50 that he really came good, topping our scoring list with 12 goals and getting one of the goals that put Watford out of the F.A. Cup. In the following close season he was exchanged with Southampton for Charlie Wayman and went on to score 32 goals in 57 games for The Saints. He moved to Coventry City in 1952, netted 50 goals in just over two seasons with them and then moved to Birmingham City in October 1954. In his first season his 17 goals helped The Blues win promotion to Division One then his 29 goals in his second season helped them to the 1956 F.A. Cup Final in which they lost to Manchester City.

In 1956/57 he helped them to an F.A Cup semi-final and by the time he moved to Orient in 1959 he had scored 90 goals in 185 games for Birmingham City.

He got another 27 goals for Orient to take his career tally beyond the 200 mark. Later he played for Scarborough and Wigan Athletic before their Football League days and finally retired in 1965. He still lives near Preston.

COLLECTORS CORNER

For Preston North End's first Festival of Britain match, their opponents were the Yugoslavian champions-elect, Red Star of Belgrade. The North End club only issued a single card team sheet rather than a full programme and unwittingly created yet another collectors item. A decent crowd was to be expected for this "friendly" as North End had just won the Second Division Championship and were to be presented with the Championship Shield and medals prior to the kick-off. One player who was absent and not able to receive his medal was Tom Finney who was on International duty with England playing the Argentines.

Red Star (Jugoslavia)

RED STAR [Jugoslavia]

The 2-2 draw which Jugoslavia accomplished against England at Highbury last November (the first point ever gained from England on her own soil by a foreign side) once more established Jugoslavia as a great power in world soccer. They almost won the World Cup at Rio, losing 0-2 to Brazil—thus failing to qualify for the finals. At the London Olympic Games, they were runners-up to Sweden.

"Crvena-Zvezda"—or Red Star—come from Belgrade, and winners of the Marshal Tito Cup in 1948, 1949 and 1950—also runners-up in the national League last season. Copybook footballers captained by one of the world's best players, Mitic—who starred at Rio and also against England at Highbury last November. Five of the team to hold England to a draw are in the Red Star side—the entire right wing of Ognjanov, Mitic and centre forward Zivanovic. Right full back Stankovic and left half Djajic, these complete the five. When England forced a streaky draw against the Jugoslavs last November, the greatest menace to their security was wing flyer Ognjanov, who was a real and constant headache to the England defence.

Captain Mitic has no less than twenty-eight caps and would adorn any of the best elevens in the world.

Mather Bros. (Printers) Ltd., 31 Lune St., Preston

The Red Star squad arrived at Deepdale after a short journey from their Blackpool hotel. A pleasant exchange of club pennants was made before the kick-off between the opposing captains, Beattie and Mitic, which set the mood for the evening. The game was played in a friendly spirit with fouls being few and far between as both sides tried to play exhibition football. The overseas visitors were surprisingly weak up-front, finishing badly but winning applause from the 20,000 crowd for their ball control and positional play. Bobby Beattie showed that he too had good ball skills and it was he who opened the scoring after 13 minutes heading back his own lobbed shot which had rebounded back out off the crossbar. Fine saves from both goalkeepers kept the score down until the 80th minute when Quigley, who had replaced Horton, shot in off the post (North End's first ever substitute?). Red Star pulled one back with five minutes remaining and also had a "goal" disallowed two minutes later for a foul on Gooch. To commemorate the game the visitors were presented with leather wallets.

IAN RIGBY and JOHN BILLINGTON

AGNEW'S VIEW

As if Preston North End weren't smarting enough.....While players, officials and fans were still licking their wounds after the Leyland DAF Cup shocker at Tranmere, the Football League issued all the financial implications of a Leyland DAF Cup trip to Wembley.

Not the sort of thing to make good reading at Deepdale with Preston North End having suffered a Northern Final first leg defeat to the tune of 4–0. But here goes.

Last year's final, between Tranmere and Bristol Rovers, produced a crowd of 53,000. Each club banked a cool £163,000 from gate receipts alone. Since 1984 the competition has been watched by 1.85 million people. Gate receipts have produced £6.5 million. The average Wembley crowd on final day has been 55,000 with the 1988 clash between Wolves and Burnley (both in Division Four at the time) attracting an incredible 80,000 plus! And, guess who lost in the Northern final against Burnley?

★ ★ ★

Still on the subject of attendances, one Third Division club's home crowds are currently running 42.6 per cent up on last season. Cambridge United officials have seen Abbey Stadium crowds increase from 3,559 to 4,791. Next best came Southend with a jump of 36.9 per cent from 3,836 to 5,252.

At the other end of the scale, it doesn't come as too much of a shock to see Chester struggling more than anyone. Playing 'out of town' at Macclesfield, Chester's average of 1,680 has fallen by 33 per cent from 2,506. A.F.C. Bournemouth are also well down, by 24.9 per cent, at 5,598 from 7,454.

The Third Division as a whole shows an overall attendance increase of 3.3 per cent.
